# 07 O mišu i satovima

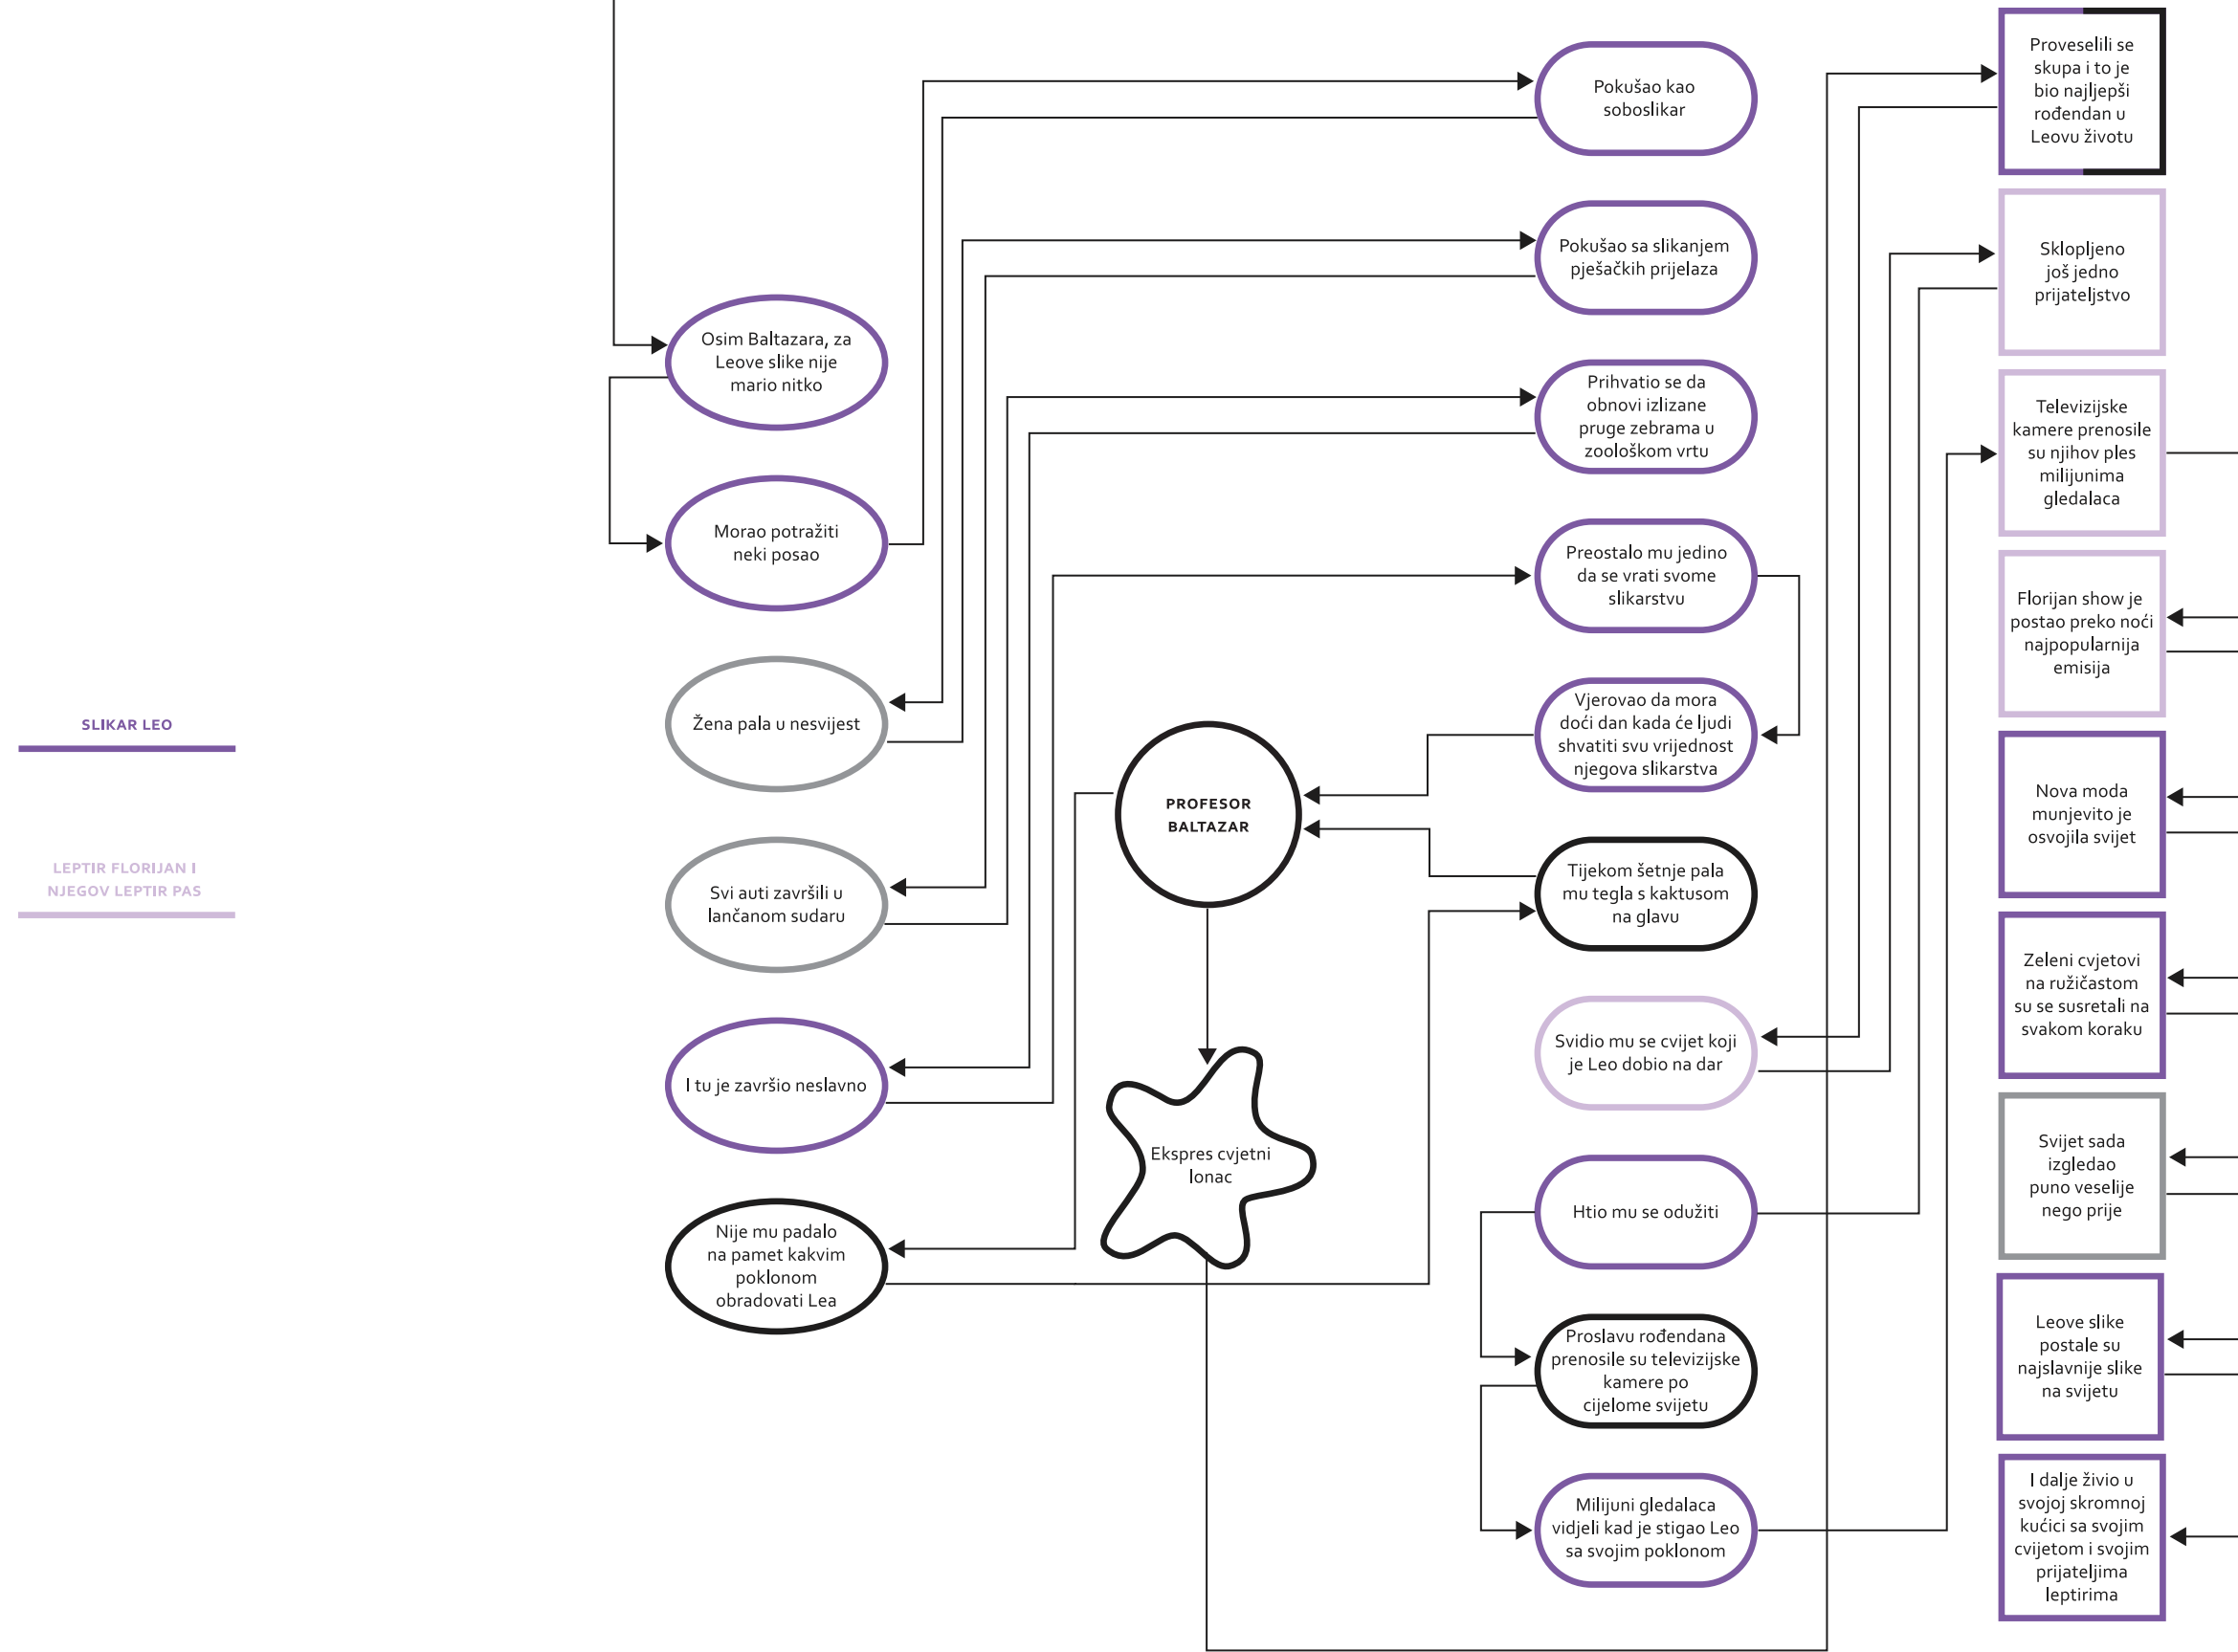

URAR OSCAR, NAJVJEŠTIJI  
URAR NA SVIJETU

MIŠ IGOR

PREDSTAVNICI  
ENGLJSKE VLADE

# o8 Rođendanska priča

SLIKAR LEO

LEPTIR FLORIJAN I  
NJEGOV LEPTIR PAS

PROFESOR  
BALTAZAR

Ekspres cvjetni  
lonac

Osim Baltazara, za  
Leove slike nije  
mario nitko

Morao potražiti  
neki posao

Žena pala u nesvijest

Svi auti završili u  
lančanom sudaru

I tu je završio neslavno

Nije mu padalo  
na pamet kakvim  
poklonom  
obradovati Lea

Pokušao kao  
soboslikar

Pokušao sa slikanjem  
pješačkih prijelaza

Prihvatio se da  
obnovi izluzane  
pruge zebraama u  
zooškom vrtu

Preostalo mu jedino  
da se vrati svome  
slikarstvu

Vjerovao da mora  
doći dan kada će ljudi  
shvatiti svu vrijednost  
njegova slikarstva

Tijekom šetnje pala  
mu tegla s kaktusom  
na glavu

Svidio mu se svijet koji  
je Leo dobio na dar

Htio mu se odužiti

Proslavu rođendana  
prenosile su televizijske  
kamere po  
cijelome svijetu

Milijuni gledalaca  
vidjeli kad je stigao Leo  
sa svojim poklonom

Proveselili se  
skupa i to je  
bio najljepši  
rođendan u  
Leovu životu

Sklopljeno  
još jedno  
prijateljstvo

Televizijske  
kamere prenosile  
su njihov ples  
milijunima  
gledalaca

Florijan show je  
postao preko noći  
najpopularnija  
emisija

Nova moda  
munjevito je  
osvojila svijet

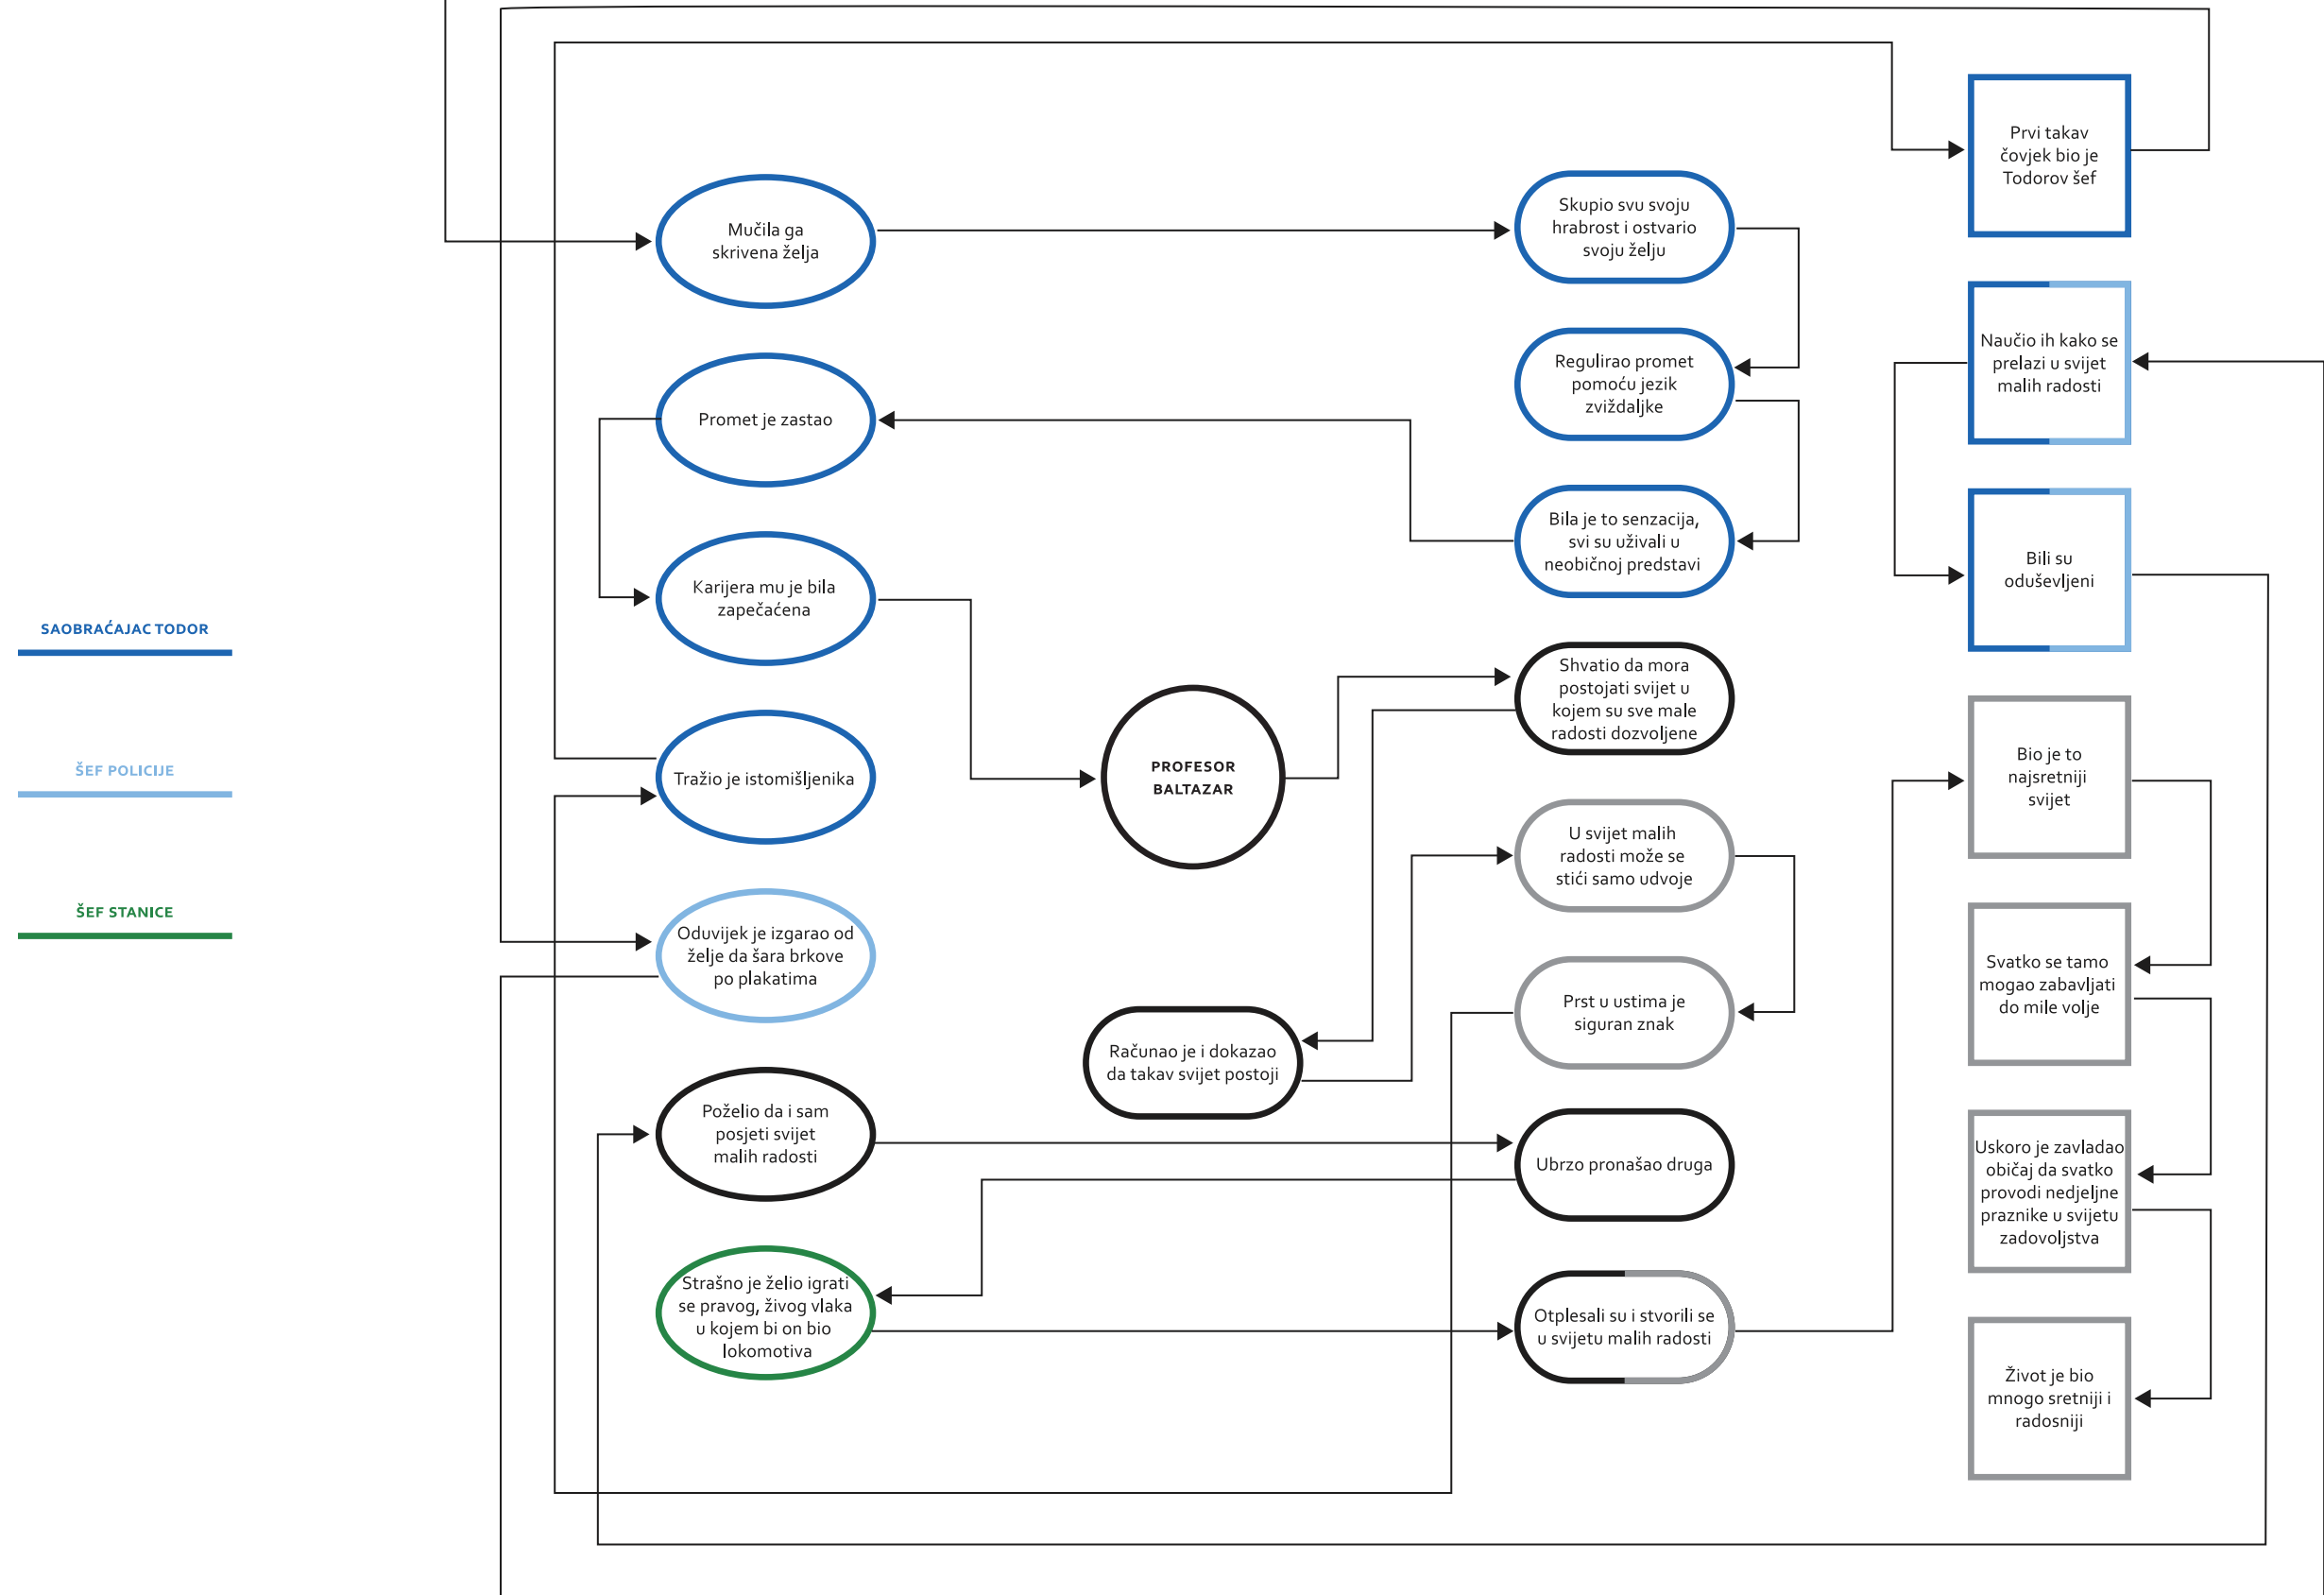

Zeleni cvjetovi  
na ružičastom  
su se susretali na  
svakom koraku

Svijet sada  
izgledao  
puno veselije  
nego prije

Leove slike  
postale su  
najslavnije slike  
na svijetu

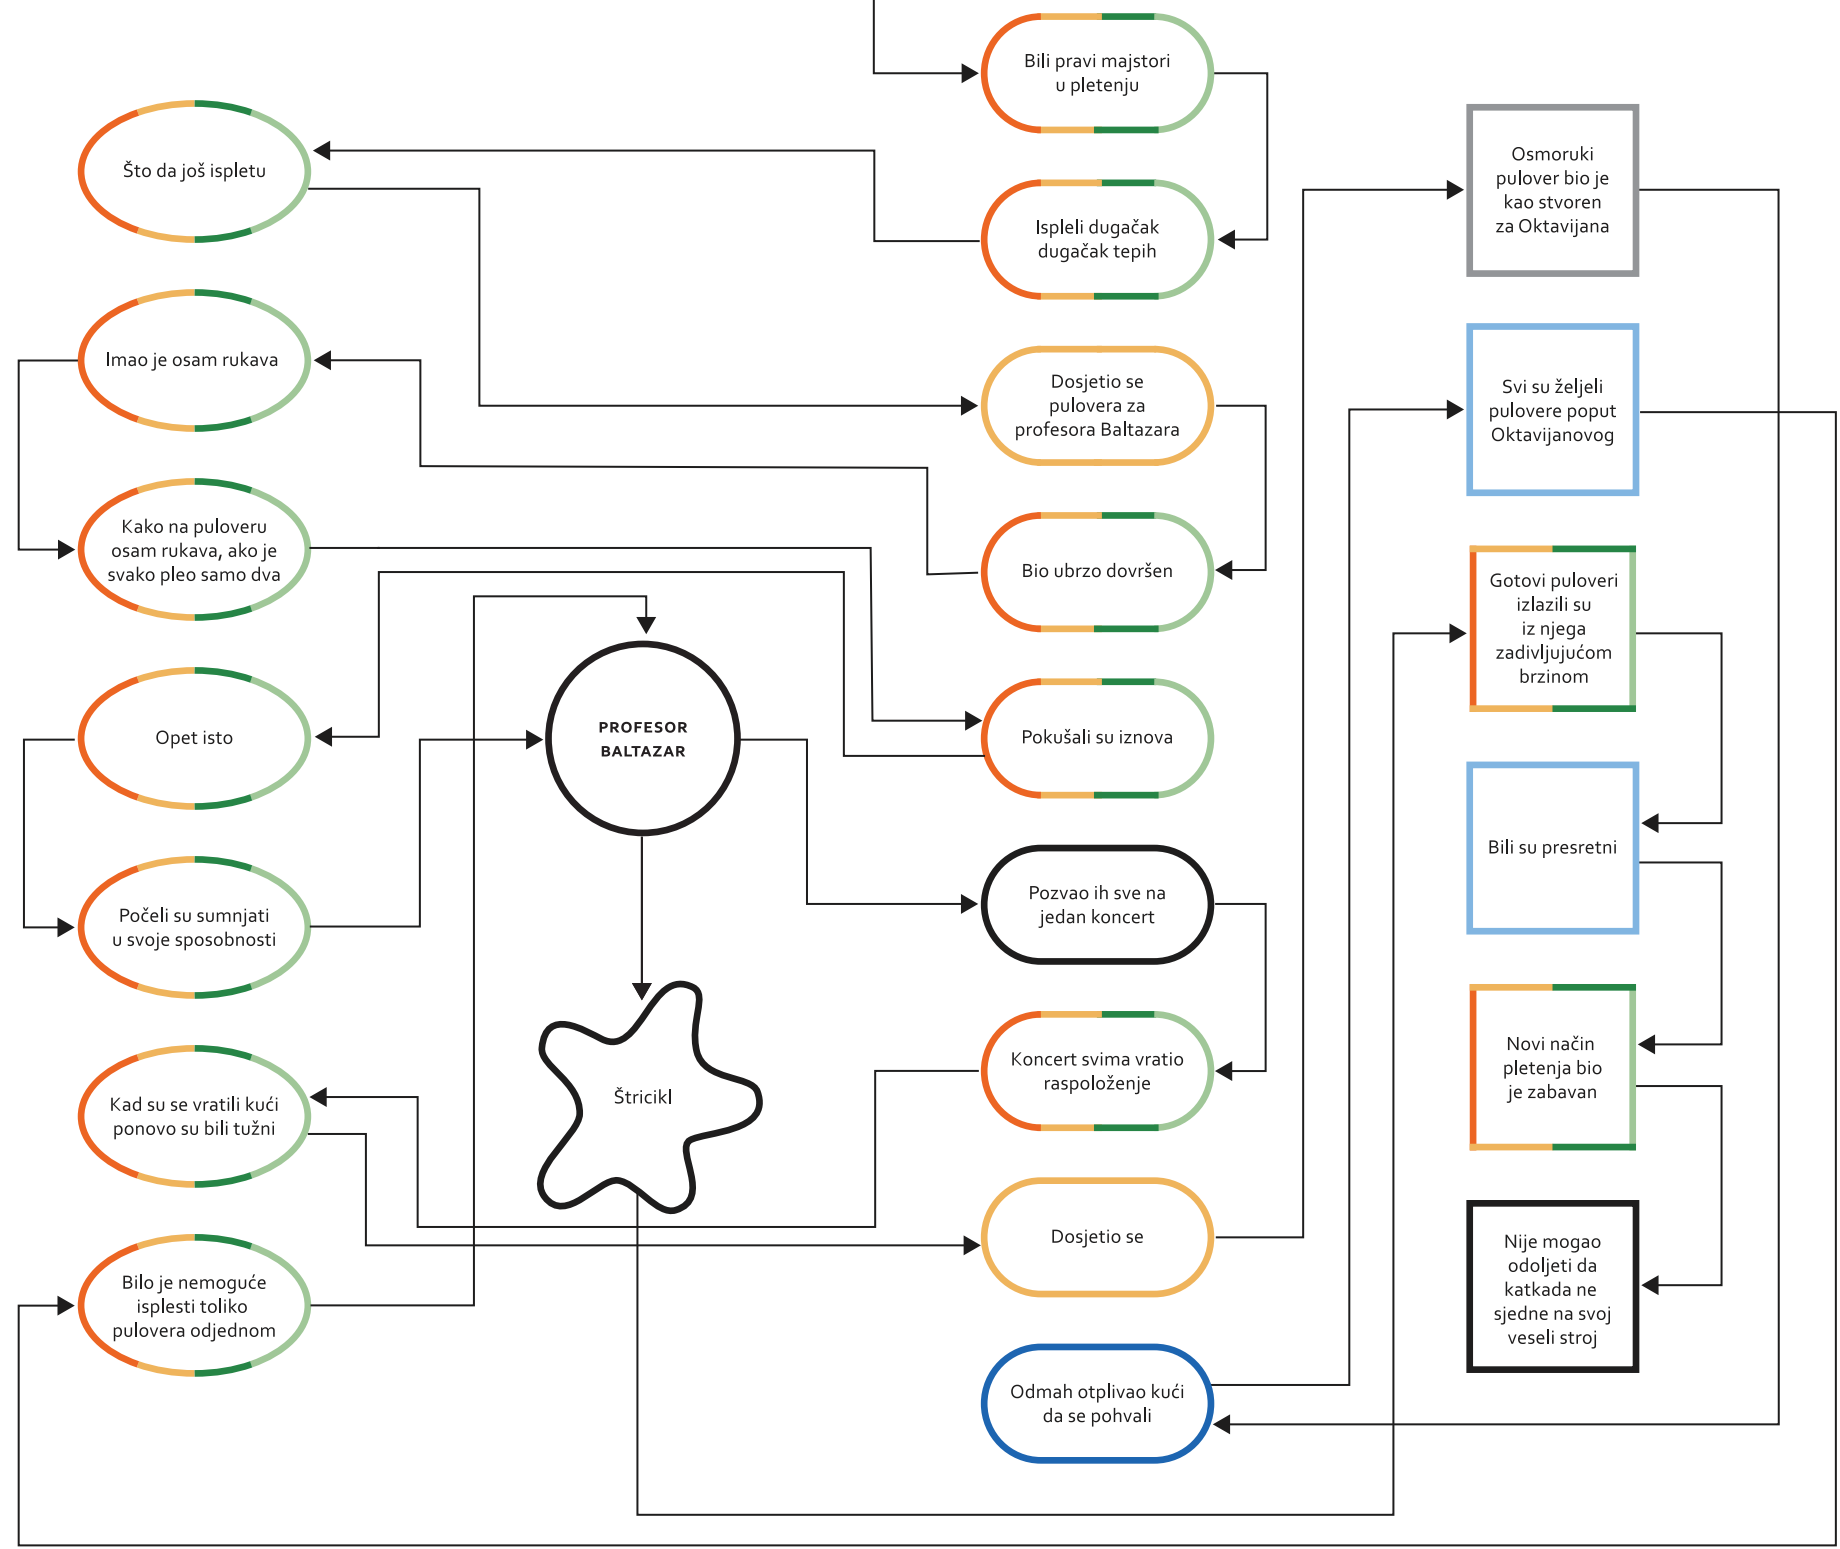

I dalje živio u  
svojoj skromnoj  
kućici sa svojim  
cvijetom i svojim  
prijateljima  
leptirima

# og Sreća u dvoje
